

## Improve Machine Shower Performance

### Applications

Oscillator conversion kits provide simple and convenient conversions from your existing oscillator to EMO III or Genesis oscillators.

### Features

- ▶ Reliable EMO III or Genesis oscillators
- ▶ Side-mount or end-mount configurations
- ▶ 316L stainless steel construction
- ▶ Optional mounting plate

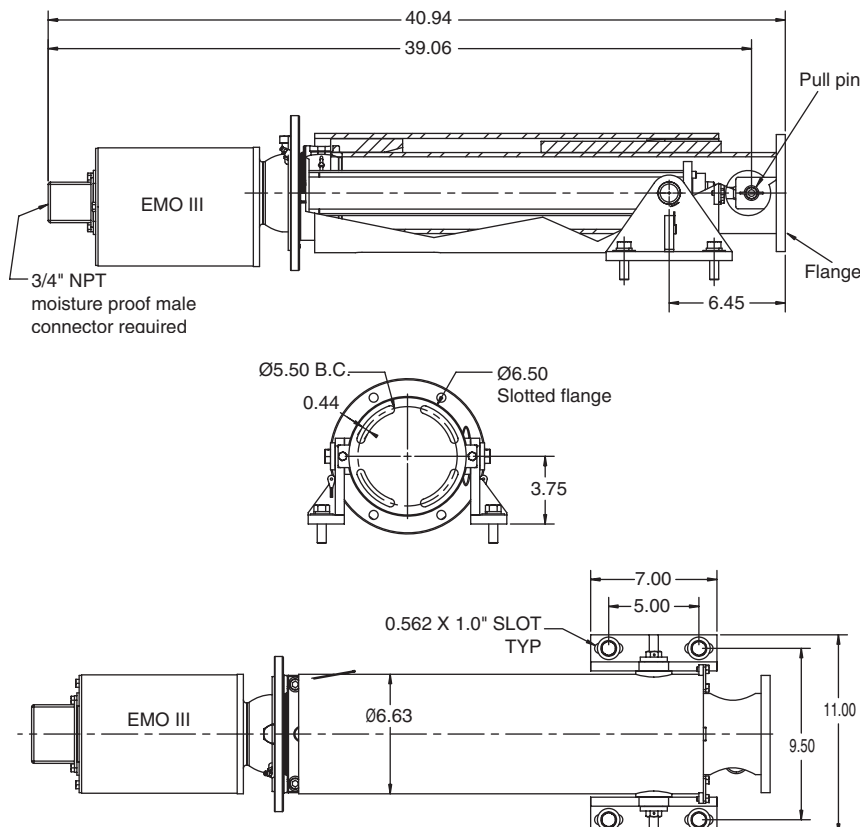

### Benefits

- ▶ High oscillator uptime
- ▶ Low maintenance requirements
- ▶ Improved moisture profile management
- ▶ Improved cleaning of paper machine fabrics

Kadant is a recognized leader in shower oscillation systems. We make it easy for you to upgrade your shower system and improve paper machine hygiene with oscillator conversion packages.

### EMO III conversion kit for CVN/Vooner oscillator

Kadant is a leading global supplier of products and services that improve productivity and quality in paper production and other process industries. For the nearest location and contact, visit our Website.
